Squamish Reusable Bag Launch

Tracey Saxby of Greener Footprints Society has been working hard educating Squamish about the effects of plastic on our planet and promoting reusable bags. The Reusable Bag Launch is scheduled for June with the goal of Squamish using at least 50% less plastic bags by 2010. Tracey spent an afternoon in Cara Tarling's Grade 1/2 class at Squamish Elementary and the students made posters that are on display at many of our local businesses. For more information, go to www.greenerfootprints.com.

Squamish Elementary Grade 1 & 2 students made posters promoting reusable bags
